The U.S. Embassy in **Malabo, Equatorial Guinea** is seeking to employ a suitable and qualified candidate for the position of **Electrical Technician**.

BASIC FUNCTION OF POSITION

The Electrical Technician is employed to accomplish skilled maintenance and repair work throughout the New Embassy Compound (NEC) buildings, grounds and residential owned/leased properties. Work assignments which includes hardware, associated peripherals, configuration, optimization, repair of electrical power distribution, voltage regulators, transformers, switchgear, automatic transfer switches, uninterruptible power supply systems and lighting systems will be directed by the Facility Manager or an assigned Maintenance Supervisor.

A copy of the complete position description listing all duties and responsibilities is available in the Human Resources Office.

POSITION REQUIREMENTS

NOTE: All applicants must address each selection criterion detailed below with specific and comprehensive information supporting each item or the application will not be considered.

1. **Education:** Completion of secondary school is required. Completion of vocational training from an accredited institute recognized as producing journeyman level technicians with a concentration in electrical principles and application.
2. **Experience:** Minimum of four (4) years of experience in operations and maintenance of building electrical power and lighting systems and associated equipment; and a minimum of two (2) years of

experience as an Electrical Technician working with large, modern, commercial or Government office building in operations and maintenance are required for FSN-5. A minimum of five to seven (5-7) years of broad experience in operations and maintenance of building electrical power and lighting systems and associated equipment, and a minimum of 3 years of experience as an Electrical Technician are required for FSN-6. Knowledge of US building, electrical, mechanical, fire and life safety codes; building and trade standards.

3. **Language:** Level III in both English and Spanish language written, and spoken proficiency required.

4. **Job knowledge:** The incumbent shall possess job knowledge to include general computer literacy, basic math and the ability to use measurement tools needed to layout and cut, shape, thread, and join materials. Must have a very good technical understanding of major building electrical power and lighting systems and equipment with a specialty in controls. Knowledge of reading technical documents, interpreting maintenance plans and technical literature is required and highly emphasized. General computer literacy is required in multiple applications (MS Office).

5. **Skills and Abilities:** The incumbent shall have the skills and abilities in the following areas: diagnosing and repairing electrical power and lighting systems and components and taking equipment readings with various meters, hand tools, power tools, and specialty tools to determine appropriate repairs. Must be able to use tools of the trade in order to install, troubleshoot and repair building electrical power and lighting systems and work with the controls technicians on associated devices. Must have substantial skill in comprehending engineering reports, specifications and related materials in English.

SELECTION PROCESS

When equally qualified, US Citizen Eligible Family Members (AEFMs) and U.S. Veterans will be given preference. Therefore, it is important that the candidate specifically address the required qualifications above in the application.

ADDITIONAL SELECTION CRITERIA

1. Management will consider nepotism/conflict of interest, budget, and residency status in determining successful candidacy.
2. Current employees serving a probationary period are not eligible to apply.
3. Current Ordinarily Resident employees with an Overall Summary Rating of "Needs Improvement" or Unsatisfactory on their most recent Employee Performance Report are not eligible to apply.
4. Currently employed US Citizen EFM's who hold a Family Member Appointment (FMA) are ineligible to apply for advertised positions within the first 90 calendar days of their employment.
5. Currently employed Not Ordinarily Residents hired under a Personal Services Agreement (PSA) are ineligible to apply for advertised positions within the first 90 calendar days of their employment unless currently hired into a position with a When Actually Employed (WAE) work schedule.

TO APPLY

Interested applicants for this position must submit their applications according to the instructions below or the application will not be considered:

1. Fill out and submit the U.S. Federal Employment application form (**DS-174**), available at the Embassy Gate and Internet Web site. This form must be completed in English;
2. Attach other documentation (e. g. essays, certificates, awards, copies of degrees earned) that addresses the qualifications for the position as listed.
3. Indicate the position title and the vacancy announcement number on the top right corner of the envelope or application form.

4. If applying by email, indicate the position title and vacancy announcement number on the subject line and send the application to the following address: malaboapplicant@state.gov
 - Candidates who claim U.S. Veterans preference must provide a copy of their Form DD-214 with their application.
